Private Treatment at The Smile Clinic

The Smile Clinic *Elite* is a sister service of The Smile Clinic, available to patients considering cosmetic options ranging from cosmetic adhesive tooth coloured fillings to a complete smile make-over and tooth whitening.

Your complimentary consultation with our treatment coordinator provides you with a basic understanding of your available options and an overview of the advantages and disadvantages to each of these options.

Following your initial consultation, your smile assessment is booked with the dentist for a detailed examination.

Clients of The Smile Clinic *Elite* :

- Can book reserved appointment times at the beginning of the day and at the end of the day;
- Pay no membership fee but *Elite* services are not available for NHS treatments & services;
- NHS Patients will have the option to elect for a course of treatment provided by The Smile Clinic *Elite* but the specific care, supervision and maintenance from Elite will only be available in full for private treatments;
- Patients of *Elite* are advised to email any concerns and queries to boltonsmileclinic@googlemail.com so that these can be forwarded to the dentist for prompt attention and advice.
